

Common Barn Wind Farm Community Benefit Fund

The Common Barn Wind Farm Community Benefit Fund launched in the Summer 2018.

Applications are invited from not for profit constituted groups (not individuals) delivering charitable projects with public benefit for residents of the following parishes near St Neots:

- Southoe and Midloe
- Diddington

Organisations must comply with CCF's due diligence process as detailed on the 'Apply' page.

Grants will be offered normally in the range of £250 to £2,500, although in exceptional circumstances higher sums may be considered up to a maximum of £15,000. The maximum amount that can be applied for in one calendar year per project (not per group) is £15,000. The current fund balance (Jan 2021) is £29,600.

Grants will not be made retrospectively so no commitment for expenditure should be made before the date of the grant offer letter. Funding will not be provided to support projects promoting political or religious views, for sponsored events or to cover expenditure considered to be a statutory responsibility.
