

## **Cambscuisine Community Fund**

Founded in 2001, Cambscuisine operates 9 restaurants in and around Cambridge and is a family-run business with roots deep in the local area. They are committed to supporting charities and people at risk of homelessness around Cambridge, and already have many charitable programmes in place including paid staff volunteering days and a Back To Work Scheme.

The Cambscuisine Community Fund offers grants to support local voluntary groups, community groups and organisations that are undertaking charitable work with the aim to improve the lives of people at risk of homelessness.

Applications should demonstrate how they meet one or more of the priority areas:

- Support people that are homeless in the community
- Support people that are homeless back into work
- Support people at risk of homelessness with their housing and social needs

Grants will be predominantly made to assist charitable projects in Cambridge, but a wider geography may be considered for projects within a 10 mile radius of Cambscuisine locations. These can be seen on the [Cambscuisine website](#).
