# CASE STUDY

## Accuro

Received funds last year to purchase a specialised bike enabling wheelchair users to enjoy a bicycle ride, with support, alongside their peers. Parents and carers have been able to have a go at riding the wheelchair transporter bike and have commented on how wonderful it is to be able to share this experience with their child.

**“The sounds of delight from the thrill of going at speed were indeed a wonderful sound.”**

## Meadows Children and Family Wing

Meadows Children and Family Wing helps to educate families and the public in better standards of childcare and in the importance of sound relationships between parents and children for the maintenance and enrichment of family life. The funding has enabled them to support children to attend their Clubs.

**This grant has made a big difference to the lives of the young people attending the Clubs.**

**“It's great, lots of people who are really nice and lots of activities.”**
