[Cottenham Theatre Workshop supports Cambridge Street Aid](#)

Cambridgeshire Community Foundation is one of two local charities which have received generous support from Cottenham Theatre Workshop's production of *Worzel Gummidge*.

The Theatre were inspired by the story of a homeless and hungry scarecrow to raise money for those in similar situations in Cambridgeshire. Raffles held at each of the five performances of *Worzel Gummidge* raised a fantastic £318, split between CCF's [Cambridge Street Aid](#) fund and Cottenham Foodbank.

Grants Officer Beth Emmanuel received the donation of £159 from Cottenham Theatre Workshop which could provide shoes, a coat, a suit or bike for someone getting back on their feet.

You can find out more on Cottenham Theatre Workshop's website [here](#).
