Volunteer Visitors

Our dedicated team of volunteer visitors travel to the projects we fund to meet the groups and see the projects in action. This is a flexible role as volunteers can sign up for the visits that are a good fit for them and then correspond with the group to arrange a mutually convenient date and time.

If you have any questions or would like to speak to someone about becoming a volunteer visitor, please email info@cambscf.org.uk or call 01223 410535.
